The Elna Supermatic was actually the world's first automatic sewing machine. The very first model was said to have its first prototype made in Swizerland in the 30's before World War II. There were several models made, the first being the Elna 1. The particular model my husband brought home was the Elna 2, made between 1956 – 1958. It's a two tone green color, with a Cam/Disc ejection ...
