Frances Anne Kemble's 'Journal of a Residence on a Georgian Plantation (1838-1839) is one of the most remarkable primary-source first-person narratives of slavery that I've read. This is not the least because she had no crusade as she did not publish her diary, as I read, until 1863 although her memoirs circled around Abolitionist circles before then.

Journal of a Residence in India In 1808 Maria Graham (later Callcott) travelled to India with her two siblings and father, a naval officer who had been posted to Bombay. Docking there in December 1809 - a full year after they set sail from England - Maria began to travel widely around southern and eastern India.
