This books fortune involves a kind of misfortune, because the phenomena that Moral Mazes analyzes are deplorable, and we would wish that the book were no longer relevant. Originally published in 1989, Moral Mazes has been supplemented for this second edition with a long analysis of how the 'organized irresponsibility' Jackall analyzed in the 1980s has become the key to understanding our current Great Recession. ...

Moral Mazes: The World of Corporate Managers: Jackall ...

Moral Mazes: The World of Corporate Managers is a 1988 book by sociologist Robert Jackall that investigates the world of corporate managers in the United States. In the introduction, Jackall writes that he "went into these organizations to study how bureaucracy—the prevailing organizational form of our society—shapes moral consciousness" and that the book is "an interpretive sociological account of how managers think the world works." It was named the "Most Outstanding Business and ...

Moral Mazes - Wikipedia

Robert Jackall's Moral Mazes offers an eye-opening account of how corporate managers think the world works, and how big organizations shape moral consciousness. Based on extensive interviews with managers at every level of two industrial firms and of a large public relations agency, Moral Mazes takes the reader inside the intricate world of the corporation.

Moral Mazes: The World of Corporate Managers by Robert Jackall

Moral issues are translated into practical concerns and into issues of public relations. Sooner or later, managrs ask themselves: How does one act in such a world and maintain a sense of personal integrity? Moral Mazes is a brilliant, sometimes disturbing, often wildly funny study of corporate thinking, decision-making, and morality. It is an analytical work of great importance, one filled with compelling real life stories of the men and women charged with running the business of America.
