The Common Core State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects (“the standards”) represent the next generation of K-12 standards designed to prepare all students for success in college, career, and life by the time they graduate from high school. The Common Core asks students to read stories and literature, as well as more complex texts that provide facts and background knowledge in areas such as science and social studies.

English Language Arts (ELA) & Literacy Archive. This English Language Arts Core Curriculum (2005) is a standards-based document that provides an additional level of specificity to the learning standards for English language arts adopted by the New York State Board of Regents in 1996. It respects the tradition of local choice in New York State that empowers educators to select texts, identify products, and use a rich array of instructional strategies and activities to meet student learning needs.
