The sixth edition of our flagship publication (Palliative Care Formulary) was published in September 2017. Since the publication of PCF5 in 2014, every drug monograph has been reviewed and updated. PCF6 has 35 chapters and appendices, an increase of three from PCF5. In Part 1, some drug monographs have been merged and new ones added. Part 2 has been divided into Parts 2 and 3.
