Essentially, they're now a casualty of 8th edition; pity that WHFB had to be rebooted because of an exceptionally OP army made by a particular cocksucker. As a side note, the Beastmen faction is still perfectly viable to play as, it just takes more manoeuvring, strategy, and brains than previously, much like how the Dark Pansies USED to be in ...

The magic lures in 8th edition were absolutely out of control, and IMO one of the worst aspects of the edition. In 6th and 7th, magic was much more muted and acted in a support role for most armies. Obviously you can house rule things however you'd like, but 6th is meant to be played with muted magic and it's a better game for it I think.
