MCN

The Yamaha Virago 535 is a motorcycle manufactured by Yamaha Motor Corporation. It is one of several in the Virago line and is positioned as mid-size metric cruiser with an engine displacement of 535 cc. It is unique in being one of the few smaller cruiser-style motorcycles available with a shaft drive instead of a chain or belt final drive system, as well as a V-twin engine of that size. Its heavily chromed body styling is also distinctive. This model was discontinued in 2004 in the US and 2003
